PREFACE

We herewith offer to our patrons our first volume of Norwood and Walpole Directory, trusting it will be well received, and fill a place at the merchant's desk and home library table.

Our thanks are extended to all who have kindly aided us in compiling it and furnishing information for it, and hope it will be found a valuable book of reference alike in the office and home.

Our intention is to issue the book every two years. Any improvements or additions we can make in future volumes we will gladly do so.

The map we issue is the best we could make from the drawings we had. We are indebted to Mr. Robert Rogers for most of the Norwood part, and to Mr. Edmund Grover for Walpole. We will guarantee it is much better than any heretofore issued, but no doubt we will have some streets to add to it in our next number.

We thank all our advertisers for their orders, and by issuing it regularly bi-yearly, we think all the leading merchants of the towns will want to be represented in it.

Respectfully,

EDWARD A. JONES,
Publisher.
